Direct link to Ole Martin Hovelsås's bounty case: <https://ole-martin-hovelsås.dusør.eth.limo/>

Ole Martin Hovelsås: Ole Martin has pursued, harassed and threatened victim Tommy Hofton for several years both before and after the death of his mother/uncle. The first time Ole Martin started stalking and threatening victims was at primary school when he was 12 years old, on behalf of stepfather Gudmund Vedhus. Ole Martin is a local alcoholic who has spent a lot of time with Magne Enderud, the closest friend of the offended party's stepfather Gudmund Vedhus. He is one of Odd Kåre Kjemperud's closest friends, and my stepfather Gudmund Vedhu's closest friend.

Every time the aggrieved Tommy Hofton visited his grandmother in Prestfoss, Ole Martin followed at the shop, the post office etc with troublesome and threatening behavior in the period 2015-2020. Ole Martin Hovelsås is close to direct friends and friends through third parties with 95% of all people who have stalked victims, attacked, beaten up, threatened to kill and several blackmail attempts against victims in the period 2002-2023.

Ole Martin Hovelsås is therefore believed to be one of the main backers and/or one of the main characters behind the planning and execution of persecution, death threats and blackmail attempts over a number of years against the victim Tommy Hofton, on behalf of stepfather Gudmund Vedhus and his two brothers Per-Torstein Vedhus and sister Vedhus.

This PDF report shows an overview of all the people Ole Martin is friends with, as well as what illegal actions each individual has carried out against the aggrieved Tommy Hofton over a period of many years.

**NOK 3 million in bounty**

**Up to NOK 3 million in bounty** is paid to the person who contributes with audio recording/video/documentation of evidence that can be linked to any of these people, so that the case is cleared up and the perpetrators are convicted. **Bounty can be confirmed through my lawyers.** Anonymous tips and evidence will also be rewarded with the same bounty. ## Ragnar Bendiksby comments:

Ragnar Bendiksby: Closest friend of Odd Ulberg, both pursued me and beat me up several times at Prestfoss secondary school. Never knew why though. But now i understand. They are both close friends with Magne Enderud and my Stepfather Gudmund Vedhus. I remember my stepfather always found it hysterically funny that I came home beaten by Ragnar Bendiksby, Odd Ulberg and Anders Bjørnsrud at primary school and secondary school. Now I understand why, because my stepfather paid for them to beat me up.

## Oddmund Hansen Westby comments:

Oddmund Hansen Westby: Has pursued and harassed me many times during the period 2016-2019 when I visited my grandmother in Prestfoss at the old home. Called in several false police reports and created very unpleasant confrontations with the police in Modum.

Been bothering me with Facebook messages where he demands money and a meeting for them must stop attacking me. Close friend with Sølve Kolbjørnsrud, Magne Enderud and my stepfather Gudmund Vedhus. Oddmund Hansen produced so many fakes reviews on me that it became impossible for me to visit my grandmother, because the police started stopping me and harassing me every time i tried to go to mine grandmother.

Have dashcam of him stalking me and has audio recordings of him making fake calls reports to 112 for causing problems for me.

I have a copy of the police record from Elden Law firm, where Oddmund Hansen admits to the police in questioning at the scene that Oddmund pursued me with the intention of provoke false conflicts. I repeat, he himself admitted to the police that he followed me with the intention of provoke false conflicts with me.

This is important evidence that the police have completely ignored afterwards.

Anders Grønhovd Bjørnsrud  
comments:

Has for years been persecuted, bullied, threatened and beat me up several times on children and the virginity school. He is involved in collaboration with my stepfather Gudmund VEDHUS to spread more serious false rumors about me in elementary school that resulted in years of social isolation and a lot of violence and attacks against me. He stalked me on several occasions just before my mother died in 2015, where he stood and waiting for me every time I drove away Eggedal and down to Prestfoss where min grandmother lived.

## Sølve Kolbjørnsrud comments:

Sølve Kolbjørnsrud: Robbed and beat me up 25+ years ago where I got my face my seriously permanently damaged there large parts of the left side of the face are permanently paralyzed and left eye destroyed permanently, has stolen and misused mine identity in serious criminal acts earlier.

Close friend of Islam Dhabrailov and Salman Azamov and my stepfather Gudmund Vedhus family. Sølve's friends have previously stole my identity and bought cell phones in my name and called in terrorist threats in my name.

Sølve is a close friend of Oddmund Westby from Sigdal, who have previously delivered a lot serious fake reviews on me and He has sent me text messages on facebook where he demands that I pay he money to make the attacks stop.

Sølve Kolbjørnsrud has also delivered fakes reviews against me where he comes with very serious allegations that I supposed to have sent torpedo to take him at home, in collaboration with Russian blackmailers who tried to blackmail me 15 million EURO. The case has been dismissed.

Sølve, together with two other people, one from Amsterdam and one from Bergen, Marius Ødegård, was offered 3 million EURO to produce false evidence and false reviews against me in 2021 as part of the blackmail plan of Islam Dzhabrailov, Imran Saber and Salman Azamov. Have audio recordings of where these people are offered 3 million EURO for the production of false video evidence etc against me.

I have several hours of audio recording of the perpetrators planning the production of this false evidence as well as extortion of 15 million EURO, and Marius Ødegård, Sølve Kolbjørnsrud, Ørjan Monsen, Abdrahim are offered 3 million EURO to produce this false evidence against me on the audio recording.

### **NOK 3 million in bounty**

**Up to NOK 3 million in bounty** is paid to the person who contributes with audio recording/video/documentation of evidence that can be linked to any of these people, so that the case is cleared up and the perpetrators are convicted. **Bounty can be confirmed through my lawyers.**

## Stian Hoffart comments:

Stian Hoffart: Poisoned me with wood alcohol too many years ago on behalf of my stepfather Gudmund Vedhus and I became very ill that for several months afterwards. He has stolen NOK 6,000 from me 15+ years ago. Closest friend to Magne Enderud and mine stepfather Gudmund Vedhus. Stian has pursued and harassed me on several occasions shortly after my mother's death in 2015, where he stalked me into several different ones grocery stores in modum, Sigdal and Drammen area in 2015-17. Stian is close friends with many others who have attacked me in the same period. Stian Hoffart was contributing to the meeting in Drammen in 200x, where Stian drove me to a cafe, where I stayed confronted with a very angry person who told me that me and my grandmother owed them a lot of money for the sale of her house, over half a million he said. Several years later I discover that the house to my grandmother was bought up by people who installed a drug factory in my house grandmother after they bought it and shortly afterwards they were taken by the police.

## Gjermund Vedhus comments:

Gjermund Vedhus: My half-brother who collaborated with my sister to forge inheritance papers in 2015 to steal the inheritance from me from our late mother. They emptied them all bank accounts etc 2 weeks before my mother died and I sued them in 2016.

He also stole number plates from my car for a short time after my mother's death, and two weeks before my neighbor in prestfoss died suddenly of heart problems.

Gjermund and his friends, Tor Båsen and Bjørn Stian Hagen is behind a series cabin break-ins and car thefts in the areas Haglebu, Tempelseter, Sanvassetera, Djupsjøen, Norefjell, Rødberg, Kongsberg. Gjermun is behind the theft of large quantities money from a person named Dr. Morten Melbye. Gjermund admits to me in 2015 to have stolen cash he found inside the car under the seat of Dr. Morten Melbye then Gjermund was a repairman at the car workshop next to Sigdal Kjøkken Industrier i Lower Eggedal a number of years ago.

#### Odd Kåre Kjemperud comments:

Odd Kåre Kjemperud: Close childhood friend by stepfather Gudmund Vedhus. Have old ones pictures of Odd Kåre from the 1970s as a family album. Odd Kåre tried to manipulate me to make a "wet shot" against his own son with a pistol when I was 15/16 years old. Odd Kåre visited mine mother very often in 2009-2014 and he behaved very rudely and aggressively towards me when he was visiting. Odd Kåre is close friend with several "Singh" people who is known in organized crime and more Singh persons were very aggressive and stalked me daily in the period 2015-2019 i Drammen and the Modum area.

## Svein Berg comments:

Svein Berg spread a lot of bad things false rumors about me ever since 1987. He spread false rumors that I had destroyed his house for tens of thousands of kroner by turning on the water tap in winter. Paul Ola Fragåt was his closest neighbor then this happened, and I reckon it was Pål Ola who carried out this act of vandalism and misused my identity, like Pål Ola too has done in a number of other offenses he has carried out in the period 1990-2020 in my name.

For many years, Eggedal Sag has had the truck followed me every time I drove. Now I understand why. Svein Berg has worked as a truck driver at Eggedal Sag in a years.

## Monica Hofton comments:

Monica is my cousin. She posted very ugly and degrading pictures of mine grandma on facebook a few weeks before my grandma died. The pictures she posted of my grandmother were deleted shortly after her death.

This is a name twin, with only two friends listed:

**Stig Gade Rolland comments:**

Stig became my friend in the 7th grade when I was 12 years, but he did a lot of nonsense, where he and Sigbjørn Gjennestad, among others did a burglary at the "Southon built" and stole a car etc Prestfoss and caused a lot of problems and bad rumors for me, I finished the friendship with Stig and Sigbjørn for a short time afterwards because my family told me that they were bad people to be friends with. IN 2015/16 shortly after my mother and uncle died, Stig Rolland contacts me again on facebook where he starts talking about how fun it was to steal cars and do burglary etc. I quickly chose to swear him from facebook messenger and has not answered his messages after this.

## Frode Borge comments:

Frode has persecuted and threatened my mother in 2014 and earlier, copy of letter from mother where she write about it.

Frode Borge has several mutual close friends with Roar Arnt Hagen and other people involved in theft and sabotage by several NOK million from my subsidiary company "iHandel.no A/S" in 2002, as well as fraud by shareholders/investors.

Main suspect behind identity theft of mine identity where my name is misused in a or several fictitious, non-existent political ones office in FRP Sigdal political party 2003.

Frode Borge: Head of Sigdal FRP politician group. Frode is the prime suspect behind identity theft of my name where it was produced fictitious political offices in my name for FRP in 2003, there is evidence for this in NRK.no's archives online. Frode Borge has repeatedly stalked and harassed me in the Drammen and Oslo area, and he produced a false police report against me when I went home to try to confront him about the identity theft and why he pursues and bothers me. Close friend of Adrian Jakob Pracon which has also produced serious fake reviews against me where he I claim he physically attacked me for being homosexual.

## Odd Ulberg comments:

Odd Ulberg: Closest friend of Ragnar Bendiksby, both pursued me and beat me up several times at Prestfoss secondary school. Never knew why though. But now i understand. They are both close friends with Magne Enderud and my Stepfather Gudmund Vedhus. I remember my stepfather always found it hysterically funny that I came home beaten by Ragnar Bendiksby, Odd Ulberg and Anders Bjørnsrud at primary school and secondary school. Now I understand why, because my stepfather paid for them to beat me up.

A few years ago he contacted me personally and gave me an apology for that he had persecuted and tormented me so a lot.

Odd Ulberg died on 11 May 2022.

## Pål Ola Fragåt comments:

Pål Ola Fragåt: Person who has stolen mine identity and misused my identity in several serious offenses 20+ years ago. Pål Ola have committed large amounts of offenses where min identity has been misused ever since 1990 and until 2023. Bought phones in my name, phoned in false threats etc in my name. Living in Modum/Goat house. Pretending to be a taxi driver in the mod area. He is involved in insurance fraud, former dealer + police informant according to local rumours.

Pål Ola Fragåt has 40+ joint third parties friends with Imran Saber (Uncle Skrue) and have a well-established social network connected up against him. Imran Saber is a central person with whom you have many close friends all persons previously involved in several attacks, death threats and blackmail attempts against me, as well as more attempt to plant drugs in my apartment, as well as ordering drugs on the darknet there min mailbox and my name have been misused while I have been on foreign trips to USA, Dallas Texas and other countries in 2016-2018. I have several hours of audio recordings of perpetrators who admit to having tried to implement all this. There's several dismissed police cases regarding these the experiments.

Paal Karsten Nandrup Lie is one

key person and close friend of Pål Ola who connects Pål Ola Fragåt to previous infiltration attempts against people I know in the USA, Dallas, Texas.

According to the investigator from SpyShop, they believed that all the blackmail comes from a person who knows me well, and who at the same time has good contacts with the A/B Gang (Uncle Skrue). Pål Ola Fragåt is the only person I know of who has spoken openly several times about the fact that he was a close friend of Onkel Skrue.

## Bjørn Eckhoff comments:

Bjørn Eckhoff: Bjørn has called in in 2020/21 threats and frightening messages to former lawyers who have helped me in the case and threatened several lawyers with violence and punishment if they try to help me. hair audio recording of this.

Bjørn Eckhoff is my nearest neighbour stepfather Gudmund Vedhus. Bjorn Eckhoff provoked a car accident with my car in it 1992 when I was 18 years old where he chased a large St Bernhard's dog into the road for me so that I was forced to drive in the ditch and my car was a total wreck. The motive for the car accident is perhaps that when I was 6-7 years old, I had an accident lit a small grass fire in his forest because I tried to grill myself barbecue sausages alone. Maybe he was mad at me still about those grilled sausages, and wanted revenge on my car when I many years later was 18 and had driver license.

## Christian Strand comments:

A person who caused a lot of trouble Kongsberg when I studied engineering the college about 1997?. He got big multitudes of friends to stalk me and threaten me with beatings etc. He tried to trick me in a second-hand shop where he tried to deceive me to sell me a laptop at 200% market value. He and his friends pursued and troubled me much for several years after kongsberg.

Has called me on several occasions phone and threatened me to get his friends to beat me up in the period 1999-2006.

## Unni Medalen Vedhus comments:

Her name is originally Unni Vedhus. She is the daughter of my stepfather's sister, and the vedhus family often poisoned my food when I was a child to force me sick and bad.

Unni is the main suspect behind several food poisoning attempts in the period 200x until 2014, where soda bottles often smelled like kerosene/gasoline. She worked on the shop where my mother shopped for food, together with Frode Borge who is prime suspect in stealing and misusing mine identity in one or more fictitious political positions, refers to NRK articles which evidence material.

### Hilde Vedhus comments:

Hilde Vedhus: My sister. She stole them all the money from my mother 14 days before my mother died. Where she emptied all her accounts and shuffled out all her credit cards. So She forged the probate papers after her mother dead trying to steal my share of the inheritance and freeze me out of the family. Hilde Vedhus spread a lot of serious rumors around my family right after mother died, where she told many in my family that I am trying to kill her and her children. Hilde has tried to buy cell phones in my name where she tried to send death threats to themselves with these fake cell phones in my name in the 2012-2015 period.

**Kai Tore Vedhus comments:**

Kai Tore Vedhus's immediate family caused me great damage in 1984/86 by they produced false evidence against me on primary school, where they claimed I had sexually harassed their daughter, Ingebritt Wood house. I was 10-12 years old at the time happened, and it led to extreme bullying, harassment, was beaten up several times of many different children at primary school and I lost all my friends.

This was carried out as an act of revenge from my stepfather, Gudmund Vedhus, because I previously had tried to contact the police to get help to get him to stop abusing me and my sister sexually at home then i was 10-12 years old and my sister was around 4 years old. Never got any help from the police. Kai Tore Vedhus has close friendships with the community friends of Dag Andre Brendjord who is a well-known convicted pedophile and convicted of rape in Norway with a large network of pedophiles in Europe.

## Christian Brauchle comments:

2018, Modum, Fake reviews and persecution/threats. He claimed in the false the review that I had pursued his wife and pushed her out of the way, tore up the door and threatened her and children.

These are false accusations and I have dashcam video of the entire car trip that day which proves that their claims never found place. Was called in for police questioning, and the case was dropped as soon as they saw the video by dashcam.

Christian Brauchle: Living in mod, bushered municipality. Christian has previously with his wife filed serious false report on me where they claim I pushed them off the road with my car and that I had run away and tore open the door to physically attack them etc. Dashcam evidence I provided in police interviews shows crystal clear that none of that they actually claimed in the fake review happened and the case was dropped.

### Richard Fjøsliid comments:

Richard Fjøsliid: His father, Odd Fjøsliid stalked me and harassed me in the drama in 2015/16. Shortly after my mother's death. Close friend of Marit Skatvedt, who kicked me down a flight of stairs on the 2nd floor when I was 4 years old and tried to hurt me serious. Odd Richard Fjøsliid has together with Pål Ola Fragåt several times previously tried to manipulate and force me to stay involved in cabin break-ins, car thefts etc Sigdal when I was between 13-19 years old. I decided to end the contact with Fragåt and the Fjøsliid family after they tried to trick me into such things.

### Trond Harald Olander comments:

Trond Harald Olander: (Adoptive?) Son of Håkon Hofton. My grandmother Lilly Margrethe Hofton told me several times that Trond Harald Olander had called her several times shortly after Håkon Hofton's dead, and he must have told her that he was going to take her and make sure that everything she owned became his. Trond is according to papers I have got hold of a member of E14 which is a state body. Trond has many mutual friends Sølve Kolbjørnsrud, Marit Skatvedt, Magne Enderud, Stian Hoffart, Christian Brauchle, Pål Ola Fragåt, Kurt Torgrimsen etc. Trond has on several occasions pursued and harassed me after my mother's death and Håkon Hofton's death in 2015/16. Trond Harald was present during Håkon Hofton's dead, and a few minutes before he died sat Trond Harald Olander and spoke highly rude and inappropriate details about sexual fantasies about his two sisters, Marit and Monica Hofton. I have audio recording of this.

Jonas Aarseth Henriksen (30) was found dead near a cabin in Nes in Ådal on Thursday afternoon.

- Over several years, Jonas had experienced both harassment, vandalism and being threatened with life. Helge Moldver for TV 2.

They had an hour and a half interview with 30- the year-old before they were taken to see, among other things on the remains of the burnt-out concrete truck his.

- There were repeated ugly incidents, everything from arson, vandalism and violence, which never took end, says Moldver.

=====

Jonas Aarseth Henriksen was attacked with exactly the same type of attack and methods of intimidation with which I have been attacked in the period 2015-2023, and Jonas has very many mutual direct friends very many identified perpetrators who have attacked and threatened me with the exact same thing methods that they have done to Jonas. I see clear indications that it is accurate same backers/networks that perform the blackmail attempts and attacks against me, like those who attacked and killed Jonas. The identified the people doing this is a

part of a closed/private facebook group that specializes in extortion, robbery and threats, according to audio recordings I have acquired.

Jonas Aarseth is the owner of one or more cars that have previously been used to stalk, harass and carry out threats against me in the hønefoss/sigdal/modum area in the period after my mother's death and up to 2019/2020.

## Bjørn Lunde comments:

My uncle. He stole a lot of gold from mine grandmother before she died, as well as he tried to produce fake car accident with my car in Bad luck and he has spread fakes Rumors that I run roughshod over many people in an attempt to make me lose the note. He did this to try prevent me from visiting my grandmother. He didn't like me taking her side.

I have audio recordings where my grandmother tells me about the thefts and who standing behind. My grandmother wants me to keep it a secret because she doesn't want to to escalate the problems.

Bjørn Lunde: My uncle from Slemmestad. Attempted to produce fake car accident in Slemmestad where he made the neighbor to try to run me over when I came on visit. Has dashcam video evidence. Bear Stole gold from my grandmother in 2015. Have audio recording of Bjørn trying to spread the word lies about me to my grandmother but she don't believe him because my grandmother knows that Bjørn has already stolen gold from her then she doesn't trust him at all. Married with Gerd Lunde. Bjørn and Gerd Lunde produced a false story in which they claimed that

my grandmother had given them the gold as a wedding present. I have audio recordings where my grandmother tells me that all this is just nonsense and that Bjørn Lunde had been at home in her safe and stole a lot of gold from her in 2015. But she wanted me to keep it a secret for as long as she lived because she didn't want to create conflicts in the family.

She often talked about Bjørn Lunde and that she did not trust him.

## Jan-Arnt Skjolde comments:

Jan Arnt Skjolde: Private investigator and former Kripos investigator whom I hired in to investigate the blackmail attempts meet me. I paid him over 800,000 kroner and he gave me detailed action plans in which he was to ensure that My case was taken seriously by the police as well that he should initiate direct meetings with banks that had locked down my accounts erroneously due to the extortion etc, but Jan Arnt Skjolde did none of that he promised, and after waiting for almost a year on results all cases are dismissed and he never worked to fix my bank problems as he promised. He has wood several occasions come with condescension comments against me on behalf of my stepfather Gudmund Vedhus and Magne Enderud his closest friend. Jan Arnt Skjolde has many mutual friends Magne Enderud and other key people involved in the blackmail against me. I have audio recording of Jan supporting mine Pedophile stepfather and his actions against me as a child.

Rita Hagen, Roar Arnt Hagen's wife, worked as a police secretary at Asker Politi in the period 1999-200x, according to information Rita Hagen herself personally told me orally in 2001. In the same period Jan Arnt SKjolde also works at Asker police station as head of department/chief of police or other higher position in the police. Rita Hagen and Jan Arnt Skjolde worked together and are then assumed to be close friends. This explains why Jan Arnt Shields quickly began to sabotage mine previous cases I engaged him as private investigator.

## Bent Kristian Løver comments:

Cohabiting with Marit Hofton, my family. Right-wing extremist and Muslim-hater, according to his own statement. He was one of them first to harass me on behalf of Sølve Kolbjørnsrud and my stepfather in 2015 after my mother's death.

Bent Kristian Løver: Marit's roommate Hofton, who was one of the first to attack me and spread false rumors about me after my mother died of cancer in 2015. Bent Løver is a former dealer and has been taken off the police in the past, and he now works as informant and silent in Kongsberg/Vikersund the area. Because he kept quiet about his friends in Kongsberg he then moved to Vikersund. He now lives with police as nearest neighbours. This is information Bent Løver himself has told me at a Christmas dinner in 2017. Bent Lions are close friends of many people people who have followed me and attacked me since 2015 and he is directly connected to Sølve Kolbjørnsrud. Many of his friends are well-known locals drug addicts.

### Kurt Torgrimsen comments:

Attacked me with a knife and tried to beat me me up and throw me out the 2nd floor with head first. This happened around 2009 in Drammen, Neuberoggsgate 8. I have witness.

Have close mutual friends (L00) with the following: Simon Simonsen (iHandel case 2002), Magne Enderud, Monica Hofton, Frode Borge, Erik Hofton, Gjermund Vedhus, Jan Arnt Skjolde, Andres Steff-Pedersen, Tor Klund, Adrian Pracon, Albert hagavold.

He has close mutual friends with a convict pedophile, Dag Andre Brendjord.

Since he is a close friend of Simon Simonsen, this may indicate that he perhaps attacking me on behalf of Roar Arnt Hagen and the iHandel case. But since ahn is also a close friend of many of mine stepfather and Sølve Kolbjørnsrud also can this indicates that these people are behind it the theft and sabotage of iHandel my company in 2002.

Kurt Torgrimsen: The person who attacked me with a knife and tried to throw me out 2 floor in Neumannsgate 8b in Drammen for 10+ years ago. Kurt has a lot in common close friends with Magne Enderud, min stepfather Gudmund Vedhus and my half-brother Gjermund Vedhus

## Adrian Jakob Pracon comments:

Adrian Jakob Pracon: Political PR advisor, who followed me into a shop and produced false police reports against me where he alleged I had attacked him physically because he's gay, something like never happened. Case dismissed, no witnesses stood forward and there is no video recording from the store, because it never happened. but it caused very great damage to my reputation at the police.

Adrian has many mutual friends with Kai Tore Vedhus's friends and family, who is one of the people who spread false rumors about me in elementary school then I was 9-12 years old, and destroyed a lot of my childhood.

### Birgitta Braaum comments:

On behalf of BOBO and Islam Dzhabrailov, then she attempted blackmail via Elden, there she tried to make me pay for legal fees for Islam related to the blackmail attempt against me.

Birgitta Braaum: Works at Elden Law firm. Has very many close ones friends in heavy criminal environments as well many friends of Sølve Kolbjørnsrud and the persons who have performed blackmail attempt against me. Birgitta is one person who has infiltrated Elden on a mission from the robbery and extortion milieu, where she collects and steals important financial details about Elden's clients and this one the information is further used by robberies and the extortion environment to find new ones suitable targets to pressure/steal from. Birgitta has bothered me several times in the past on behalf of the blackmailers.

## Paal Karsten Nandrup Lie (A) comments:

"Very Good On Solutions"

Pål Ola Fragåt is a confirmed direct friend of this profile. When I put Paal Karsen in MR, then his profile was completely locked down with no friends but Minority Report the scanner had already scanned and reconstructed his friends list profile i 2021/22 saw it pick up 2000+ of his friends.

Paal Karsten is the first person I have found who have close friendship contacts to key persons i USA, Dallas, Texas, at the same time as he is personal friend of Pål Ola Fragåt.

Paal Karsten scores the highest of all on it total "L01+L10" scoring list i "Syndicates" view so far. This is what he means is very close to the "main mastermind" who coordinating all the attacks against me. And it is the highest score of all although it total "deep scan" mode only has completed respectively 4% and 11% of the analysis of FoF.

## Einar Viken comments:

Einar Viken has many close mutual friends with many protagonists who are previously involved in extortion attempts and death threats against the offended Tommy Hofton. He left comments/likes on one of the victim's posts on Facebook 2023-10-25. Maybe he has the opportunity to track down more information for the blackmail case if we offer him 3 million in reward for information about someone of these people?

Einar Viken stalked on destitute Facebook and post comments on Facebook post on 25 October 2023. He tried to appear as a "casual" person without connection to others, but after a scan with Eagle Eye Forensics / Minority Report, then he is close to velles friends with, among other things, the person who collided head-on in the victim's Tesla and caused more than 150,000 damage to the car kroner in 2020 and the car's value has decreased dramatically because of this.

Einar Viken is close direct friends with Jan Arnt Skjoldes business partner, Leif Tore Andersen, who in 2022 performed threats against the victim on behalf of Magne Enderud who is offended stepfather Gudmund Vedhus's closest neighbor and closest childhood friend. January Arnt Skjoldes then stole NOK 800,000 from offended by taking extremely well paid as an investigator to then sabotage the case by having the case dropped by the police.

Einar Viken is friends through a third party with the blackmailers, (BOBO) Burhan Chishti and Sølve Kolbjørnsrud, who previously had carried out a number of blackmail attempts against offended in 2020-2023 and who have restraining order against the victim, including through third parties, such as Facebook the messages from Einar Viken are technically speaking Violation of a restraining order by a third party and a police report is requested the event.

Einar Viken has many people close to him directly friends with Ole Martin Hovelsås who is offended stepfather Gudmund Vedhus close childhood friend. Ole Martin Hovelsås have otherwise persecuted and harassed offended ever since he was 12 years old old and Ole Martin is close friends with over 90% of all people who have pursued

harassed and threatened with death, as well as producing hundreds of false police reports on victim Tommy Hofton since 2004.

Einar Viken is also third-party friends with a large number of other people involved in persecution, harassment and false reports against the victim in the period 2004-2023, including third-party friends with the persons Roar Hagen and Rita Hagen who in 2002 stole several million kroner from the victim Aksjeselskap iHandel. no A/S. Read the Minority Report for more details about these people.

Einar Viken has 100+ close friends who are direct friends with Dag Andre Brendjord, who is one of Norway's most brutal convicted serial pedophiles, and has been mentioned several times in large Facebook groups that monitor known pedophiles in N

Einar Viken has 100+ close friends who are direct friends with Jonas Aarseth Henriksen who was killed in August 2023.

Einar Viken has mutual close friends with people from Sigdal who are directly related to "Hammer", who is the sergeant in the military around 1994 when I was 20 years old, and Hammer stole my AG3 rifle and caused a lot of problems for me in the military. Hammer was dismissed and removed from the squad shortly after the theft of my AG3 rifle, and rumors spread that he had been caught breaking several laws at the military camp we were in. Hammer socially isolated me from the squad and was very brutal to me during the period he was there.

When we compare the network between Einar Viken and Isa Dzhabrailov who is the brother of Islam Dzhabrailov who is one of the masterminds of several extortion attempts in 2022, we find "Ingvild Hammer" as a common close friend, who is related to Hammer from the military in 1994.

If we compare Einar Viken and Ronny Holmstrøm's network (who sent me lots of pictures of cocaine etc he wanted to sell on Facebook earlier), then we see the name "Ingvild Hammer" again in mutual friends. This means that Ronny Holmstrøm probably works as a police informant and Ingvild Hammer is probably some kind of contact person between several informants and the military/police? I was also bothered by many people in 1994 related to Hammer where they tried the same strategy.

When we compare Einar Viken and Ole-Jonny Karlstrøm's mutual friend network, so many of their links are connected to people who all work in it

the health service, Vestre Viken, psychiatry.

There are no traces of either Chechens or Pakistani links to Imran Saber etc in this network connected to old cases, which strengthens the theory that it is NOT Imran Saber and Chechens and their friends who are the main backers, they are only "street soldiers" who work for these hidden Norwegian backers who are in the network against Ole-Jonny Karlstrøm and those from Sigdal municipality where I grew up.

When you compare several people from old cases from Sigdal etc, several people with the "Hammer" surname appear in the Minority Report PDF reports.

This is important to investigate further later.

**Roy Pettersen comments:**

Roy Pettersen is close friends (L00) with Ole Richard Holm-Olsen, who is the lawyer who sabotaged the police case against Sølve Kolbjørnsrud and the extortion case of 150 million kroner.

Roy is involved in the iHandel.no theft and the sabotage in 2002 where Roar Arnt Hagen and several other people including a police officer who stole several million kroner from me. The defrauded the share investors in iHandel.no A/S and took all their money and hid it behind a secret "copycat" company like them sent the money through while they got it original A/Set to look that went bad.

**Kai Roer comments:**

Kai Røer: Bullying harassment spread of false rumors about me in the neighborhood on Søndre Borgen Asker in 2016/2018. His friends pursued me in the Netherlands and broke in and trashed my hotel room etc. A number of false reviews against me in Norway and the Netherlands in the period 2016-2022. Many of Kai Røer's friends pursued me in Amsterdam, broke into my hotel room and smashed all the furniture, as well as took naked pictures of me in the shower and spread very serious false rumors about me on hotel which caused a great deal of trouble and expenses for me.

I have audio recordings of Kai Roer walking around the neighborhood in Asker and spreading fakes rumors that I am a Muslim hate and that I hate Pakistanis etc. I have audio recording of Kai where he sits and boasts that he loves to spread false rumors about others neighbors in the area.

He has many youtube videos published where he boasts that he is a very dangerous man because he is an expert in producing false stories about people to destroy their reputation. He is a so-called professional rumor-spreader and he has written books about the topic.

## Erik Rudolf Andersen comments:

<https://www.facebook.com/inger.a.opsal>

Very serious car accident in Drammen with 150,000+ in damages, Erik Andersen has a lot many friends with silver kolbjørnsrud and other people from Sigdal involved in car insurance fraud.

Erik Rudolf Andersen has 60+ close friends third party friends with imran saber (Uncle Screw).

Erik Rudolf Andersen: Crashed in on purpose in my Tesla in Drammen October 2020 to attempt insurance fraud against me. Erik Rudolf Andersen has many things in common close friends of Sølve Kolbjørnsrud, Magne Enderud, Stian Hoffart, Pål Ola Fragåt, Gjermund Vedhus, which everyone knows well to arrange fake car thefts of their own own cars to earn money. Since Erik Rudolf Andersen is close friends with so many known car insurance fraudsters I suspect the motive to crash into mine Tesla was to carry out insurance fraud on his car and at the same time apply to my Tesla intentional irreparable damage. Erik lost the insurance case because I had a dashcam which clearly showed video evidence that Erik willfully breached the duty of way in order to provoke the crash, but he did not stay caught for insurance fraud because it took me many months to track down and analyze his hidden network of friendship to many other insurance fraudsters in Sigdal and Modem area. He is also a close friend by Ørjan Monsen, Salman Azamov, Islam Dzhabrailov (who drove the Tesla car with me when we crashed)

### (BOBO) Burhan Chishti comments:

Bobo tried 14 October 2020 at extortion and setup. Tried to pressure me for several hundred thousand, by fabricating false police report that I assaulted him at Asker post office. I have dashcam video of the whole day, and dashcam shows that I drove past his car at the post office but was never around by him and video shows that I never tried get in touch with him. Audio recording included much evidence also exists.

Close friend of Jon Christian Elden, who sabotaged the review of the blackmail for me, in that he first accepted to be my lawyer, then he waited until the appeal deadline was less than 24 hours before the deadline expired for then to send me word that he could not be my lawyer on the go conflict of interest. Lawyer Elden is close friend of several of the main characters behind the extortion, including BOBO, Islam Dzhabrailov, Salmand Azamov, Pål Ola Fragåt with more.

Burhan Chishti (BOBO): Blackmail attempt in October 2020. Demanded several hundred thousand kroner in extortion from me, where he composed produced false evidence that I had attacked he at the post office in Asker. Has a dash cam of the whole day which shows that this never happened at some point.

#### Petter Aas Lunde comments:

Petter Aas Lunde: Petter Aas Lunde is the person who stole my gold ring grandmother, as my grandmother told me in 2015. Have audio recordings of my grandmother there she tells about it. After she told me that her gold was stolen, I bought a small SAFE for my grandmother there she kept his valuables after this. The Lunde family has since produced a lot of false bad rumors about me and tried to provoke fake car accident i Slemmestad as revenge for my taking my grandmother's side of the story. Petter Aas Lunde has 4 mutual close friends with Oda The brother who has produced false rumours through TV2 about Thomas Mathiesen, min investigator. Petter Lunde has 6 close friends in common friends with Stian Sætermo. Petter Aas Lunde called my lawyer on Monday the 13th March 2023, and tried to manipulate the inheritance case of my late grandmother Lilly Margrethe Hofton.

## Tor Klund comments:

Tor Klund is a Facebook stalker who Liked a comment I had about innovation and Norway in an advertisement. He has 15 common close friends with him Ragnar Bendiksby as several times beat me up and bullied me primary school and secondary school. He has close friends in common with; Albert Hagavold, Oddmund Hansen Westby, Frode Borge, Kurt Torgrimsen, Marte Nesheim whom everyone has persecuted, harassed, threatened and produced fake reviews on me in the period 2015-2022.

Unimportant person in general, but important person as triangulation point to identify internet based bullying groups.

Imran Saber comments:

<https://www.youtube.com/watch?v=Z47QIOVIOk8>

Imran Saber has over 200+ mutual close ones friends with people involved in previous persecution, threats and attacks against me in the period 2015-2023.

Imran Saber is a key person who has many close friends with all persons who have previously been involved in several attacks, death threats and blackmail attempts against me, as well as several attempts to plant drugs in my apartment, as well as ordering drugs at darknet where my mailbox and my name has been abused to send drugs in the mail, while I have been on foreign trips to USA, Dallas Texas and other countries in 2016-2018. I have pictures of mailboxes being broken up with a crowbar, and several hours audio recordings of perpetrators who admits to having attempted to carry out planting drugs in my apartment. There's several dismissed police cases regarding these the cases.

Is it this network of Imran Saber that previously bought up my grandmother's house Lilly Margrethe Hofton about 2004-2007 and started a drug factory in her house, there they were later taken by the police? Torpedo? +Stian Hoffart came to me shortly afterwards and my grandmother and threatened me and my grandmother that we owed them 600,000+ NOK.

Torpedoen in collaboration with Stian Hoffart, told me and my grandmother owed them a lot of money for some problem regarding my grandmother's house. I guess they blame me and my grandmother to be responsible for the drug factory yours was taken by the police?

comments:**

Doctor at Hønefoss Hospital who performs forced active euthanasia on my mother against her will in 2015.

He hides behind the claim that my mother is too ill to live, but this is to hide the gross mistreatment of her earlier. She was exposed to enormous radiation overdose and burns and huge yeast infection that never was treated. The fire damage was so brutal that a large hole was burned into her tongue about 1.5 centimeters in diameter. It was so brutal to look at the injuries that I was unable to take pictures of it because they looked too damn good.

I have audio recordings of him bragging that he's going to kill my mother and that's it nothing i can do to stop the process.

I have text messages from my mother there she tells me that the hospital staff trying to kill her and that she believes it "something is going on" behind her back.

My mother told me that the doctor had been standing over her as he laughs in her face and tells her that he is surprised that she has survived the "treatment" for so long as she has done until now, and they were surprised that she was still alive.

My mother completely broke down and cried when she told me this experience.

The story she told about the doctor burned herself into my memory like a laser.

A week later she is dead, fatally wounded dose of morphine to speed up the forced active euthanasia that Marius claims should performed on my mother against her own will.

### Ole Richard Holm-Olsen comments:

Close friend of Roy Pettersen who swindled and stole millions from me in 2002.

Ole Richard Holm Olsen: Ole Richard is the lawyer who sabotaged the complaint letter on the laying down of 100+ million the blackmail case. Ole Richard Holm Olsen told me that he and the police had chose to drop my case on the basis that my name was registered as "permanent criminally insane" in the police system i 2022. This is very strange as I never has been punished or participated in any court cases in the past. I have audio recording of this.

## Aleksander Jacobsen comments:

1 Physically attacked me and kicked Jan's car  
1 Arnt Skjolde outside Eckersbergsgate 35,  
1 Oslo.

1 Aleksander is waiting for me outside  
2 eckersbergsgate where I live, and threatens me  
3 when I walk out the door. He stares angrily  
3 his mobile and then he stares at me as if  
2 he looks at a picture to compare, and  
2 then he says briefly "Are you Tommy? We will take  
1 you if you do not pay Islam." - I answer  
1 not at all and turns the bodycam too  
1 evidence, I walk towards Jan's car  
1 Arnt Skjolde who is waiting for me.  
11 Aleksander follows, and grabs hold of  
1 the car door and prevents me from closing the door  
1 after I've settled in. I remember  
2 not details on what is said, I am  
11 afraid and feel threatened and focus on to  
11 close the door with force. Then kicks  
1 the person against my face but the door  
1 closed just as he kicked and man  
1 sees the foot hitting the door on the video and  
11 there will be kick marks on Jan Arnt's car  
11 Shield.

1 Then Aleksander Jacobsen walks away, while  
2 Jan Arnt Skjolde sits passively as driver.  
1 There was no attempt to identify  
1 the person from Jan Arnt Skjolde's side. The  
1 took me 1 year before I was able to track it down  
1 Aleksander's identity. Alexander is  
11 close friend of Roslan Noridovich (73  
11 friends), Ørjan Monsen 15 mutual friends,  
11 Sølve Kolbjørnsrud 8 mutual friends, Kurt

1 In the Minority Report you can see  
1 the name "Torjus Ruud", who is a direct friend  
1 with Aleksander Jacobsen. Torjus Ruud is  
11 the son of Lill Hege Engebretsen Ruud. Little  
11 Hege is my cousin. Little Hege

3 who took over all the gold from my grandmother i  
1 the inheritance case.

Aleksander Jacobsen attacked me on behalf of my family, and the assignment was mediated through Torjus Ruud. My family. In collaboration with Jan Arnt Skjold. I still haven't found all the links with Jan Arnt Skjold but I will find them soon.

## Rita Maria Hagen comments:

iHandel.no 2002

Rita Hagen: Wife of Roar Arnt Hagen, who defrauded me and my company iHandel.no in 2002, and stole millions from me and destroyed my entire company. The duped investors and stole their capital as well. They destroyed the least 8 years of my life with this and I lost a lot money. Roar Hagen contacted me "accidentally" in 1999 and wanted to do a business cooperation with me. On it at the time I ran Europe's largest MP3 review web-site "mp3tec.net" where I focused on reviews of all types of MP3 players in the market. Roar Arnt Hagen appeared as a "casual" fan of MP3 players and wanted to meet with me. IN all years I have thought that Roar Hagen only was a random person I met, and that I had bad luck. But after analyzing Roar Hagen's closest friends, I understand now that it was never accidental. Nearest friends are Sølve Kolbjørnsrud who knocked up and robbed me 25 years ago.

Rita Hagen, Roar Arnt Hagen's wife, worked as a police secretary at Asker Politi in the period 1999-200x, according to information Rita Hagen herself personally told me orally in 2001. In the same period Jan Arnt Skjold also works at Asker police station as head of department/chief of police or other higher position in the police. Rita Hagen and Jan Arnt Skjold worked together and are then assumed to be close friends.

## Salman Azamov comments:

Salman Azamov: Islam Dzhabrailov has restraining order against contacting me, too through third parties. Closest friend to Islam Dzhabrailov, who is the main characters behind several extortions by me in the period 2020-2022 and ongoing extortions in collaboration with Sølve Kolbjørnsrud. These two people are close friends of many bank employees who have destroyed my bank accounts in the same period.

## Svein Axelsen comments:

Svein Axelsen is a stalker who stalked me on Facebook Saturday 2 September 2023, with sleazy comments on mine posts. He tried to hide his identity and tried to appear as a "random" person, but after a full investigation and analysis of his friends on social media, then he is a close friend of my stepfather Gudmund Vedhus, Magne Enderud and many other people involved in organized crime and attacks against me earlier.

Svein Axelsen has many close friends in common friends with Imran Saber (Uncle Skrue), Burhan Chishti and Ranminder Singh, who previously involved in several blackmail attempts against me during the period 2020 to 2022. Damages and financial losses of over NOK 5 million. The conditions are reported to the police in 2022. There is a ban on visitors against several of the people involved in the extortion, and Svein Axelsen's attempts at to send me sleazy comments can be legally considered a violation of ban through third party site Svein Axelsen is close mutual friend with many of the main characters involved in the blackmail attempts.

Svein Axelsen has a lot in common close friends with many people who previously robbed and beat me up in 1997, persecuted and threatened to kill me and my grandmother in the period 2007-2023, as well as several others blackmail attempts in the period 2019-2022. He is close friends with the doctor who inflicted it my mother Margrethe Hofton seriously maltreated and forced euthanasia against her will in 2015.

Svein Axelsen is close friends with very many common close people involved in the murder of Jonas Aarseth Henriksen who occurred approximately 18 August 2023.

Svein Axelsen has many close friends in common

friends with Oddmund Westby Hansen who in 2018 produced a great many outrageous false reviews against me, Oddmund confessed to the police and he has admitted to the police that he pursued me with the intention of producing false conflicts.

Svein Axelsen has many mutual close friends with Kurt Torgriksen, who in about 2009 attacked me with a knife in Drammen, and tried to throw me out of the second floor in order to injure me physically. Kurt Torgriksen is a close friend of my stepfather Gudmund Vedhus and Magne Enderud.

Knut Inge Stavang: Police lawyer who will be mentioned in internal police reports where several Police people have been reported to the special service for rough neglect of duty against me in the past, where the police have conducted a groundless witch hunt on me for many, many years, ever since 2009 or earlier. This baseless witch hunt is probably triggered by everyone the fake reviews and the identity thefts of my identity from 2004 and until 2019 before I was informed this. Why have the police never knocked my door and wanted explanations? All of this could easily have been solved if the police had confronted me directly with any of this, instead of playing James Bond and causing great financial damage to my life i years from 2009 until 2023.

**Torjus Ruud comments:**

Torjus Ruud is the son of Lill Hege Engebretsen Ruud, which is mine cousin.

In May 2022, Aleksander Jacobsen stood and waited outside my apartment, threatened me verbally and tried to kick me in the face. I have a video recording of this as proof.

Torjus Ruud is a direct friend of Aleksander Jacobsen and that they have more share direct friends with each other.

Aleksander Jacobsen attacked me on on behalf of my family, and the assignment was conveyed through Torjus Ruud. My family. In collaboration with Jan Arnt Skjolde who is a former police officer from Asker. I still haven't found all the links with Jan Arnt Skjolde but I want to be finish this work in a short time.

Torjus Ruud is close and direct friends with Thobias Aamodt, who in 2018 stole my laptop for NOK 20,000+ as well tried to produce fake car accident with my car knowing that Thobias was waiting me and threw his dog in the road in front of the car my to produce accident but the attempt failed. Have dashcam video as proof.

The family of Torjus Ruud tried to produce another fake car accident on me later in Slemmestad, which I also have video evidence recording of. Which also failed. And Torjus Ruud is close friends with the people behind the third the car accident that was produced against me in the Drammen where they caused 150,000 in damages on my car. I have dashcam video proof of this too. Thobias's father stole 50,000 kroner from me in the same period.

Torjus Ruud and Thobias Aamodt have over 40+ mutual direct friends with each other and they are in a large group closely connected with

each other.

Torjus Ruud's uncle, Petter Olai Rønning, is involved in the production of one or more false police reports against me in Asker in 2016, at the Toyota car dealership, where they try to make me appear mentally unstable and dangerous.

Important: My ENTIRE family deleted me from Facebook, synchronously on the same day in 2017 just after I posted a comment about Bjørn Lunde's extremely unpleasant behavior towards me and my grandmother during the same period. Bjørn Lunde stole gold from my grandmother in 2015, and I have audio recordings of my grandmother telling me this.

In the report you see the name "Torjus Ruud", who is a direct friend of Aleksander Jacobsen. Torjus Ruud is the son of Lill Hege Engebretsen Ruud. Lill Hege is my cousin. Lill Hege Engebretsen is the daughter of Olaug Rønning who inherited all the gold from my grandmother in the inheritance case. Olaug Rønning is the closest neighbor and the sister of Gerd Lunde, who is married to Bjørn Lunde, who is behind the theft of gold from my grandmother earlier in 2015.

I have an audio recording of my grandmother where she tells me about the thefts that Bjørn Lunde commits against her. I am buying a Safe for my grandmother in 2015 to help her protect her valuables from these people.

Pål Ola Fragåt is a confirmed direct friend of this profile. When I put Paal Karsen in MR, then his profile was completely locked down with no friends but Minority Report the scanner had already scanned and reconstructed his friends list profile i 2021/22 saw it pick up 2000+ of his friends.

Paal Karsten is the first person I have found who have close friendship contacts to key persons i USA, Dallas, Texas, at the same time as he is personal friend of Pål Ola Fragåt.

Paal Karsten scores the highest of all on it total "L01+L10" scoring list i "Syndicates" view so far. This is what he means is very close to the "main mastermind" who coordinating all the attacks against me. iHandel.no 2002

Roar Arnt Hagen  
Aspelund 6, 3430 Spikkestad

Roar Arnt Hagen: defrauded me and mine company iHandel.no in 2002, and stole millions from me and destroyed my entire company. The cheated the investors and stole their capital also. They ruined at least 8 years of my life this and I lost a lot of money. Rowing Hagen contacted me "accidentally" in 1999 and wanted to do a business collaboration with me. At the time I was running Europe's largest MP3-review web-site "mp3tec.net" where I focused on reviews of all types MP3 players on the market. Roar Arnt Hagen came across as a "casual" fan of MP3 players and wanted to have a meeting with me. For all these years I have believed that Roar Hagen was just a random person I met, and that I had bad luck. But after analyzing Roar Hagen's closest friends, I understand now that it was never accidental. Nearest friends are Sølve Kolbjørnsrud who knocked up and robbed me 25 years ago.

Ørjan monsen has produced several false police reports on me and false complaints to the housing association on behalf of the same people who are behind the extortion attempt of 15 million EURO that was previously reported to the police in 2022. These false reports are being investigated now and will be answered with a report and a lawsuit with compensation claims against Ørjan Monsen and Ola Sisselberg and his rental company.

Ørjan is close friends with Aleksander Jakobsen, who tried to kick me in the face outside Eckersberg's gate entrance earlier. Have video recordings as proof of the incident. The incident is under review now, since it took 1 year of private investigation to track down his identity and link to Ørjan Monsen.

Ørjan Monsen has many mutual close friends with Imran Saber, Yousuf Gilani, Ranminder Singh, BOBO, all of whom are the main behind several blackmail cases in 2020/21 and 22, with over 15 million EURO in total attempted blackmail.

In this report you will find all the information about Ørjan Monsen's closest friends and what actions they have taken against the victim Tommy Hofton.

The false complaints and false reports, as well as all the closest friends and their network of friends have been under private investigation for a long time and lawsuits and compensation claims will be filed against Ørjan Monsen, Ola Sisselberg and Elisabeth Langset who have all been involved in spreading these false rumors about offended.
